Career Corner

Attention Parents! J. A. Williams is pleased to provide an exciting education/life planning resource available to your students at home. myBlueprint Education Planner (www.myBlueprint.ca) lets your child create an engaging and interactive Education Plan. Students can discover more about themselves, their learning style, personality, interests, knowledge and motivations using the Who Am I self-assessment tool. Once completed, they will be able to research their career cluster and possible occupation matches. With over 500 different occupation profiles available, the student can instantly identify more about the occupation and possible post-secondary options that are available to them. To access the site, visit www.myBlueprint.ca and input the Activation Key: jawilliams The student should use their school email and computer login for their password. myBlueprint helps ensure you can assist your child in making the most informed decision about their after high school plan. We encourage you to get started today and explore the website with them. If you have any questions, please contact lisa.dribnenki@nlsd.ab.ca !
